

BHARC Meeting Minutes 18 Feb 05

Meeting was called to order by president Scott Rausch, WA0VKC at 7:30PM

Secretary and treasurer's report was read and approved.

Of those present, 27 were members and 1 guest.

Tomorrow morning will be the VE testing at the school of mines and the Annual Auction. Doors at the auction will open at 9AM.

Next Saturday at the Hermosa Fire hall will the Black Hills area wide emergency Strategy Session to help get ideas on how we are going to organize emergency communications for this year.

Gene N0MHJ, reported on the Western South Dakota emergency net. It will begin Monday at 8PM and go through Saturday on the .94 and .76 Machines.

A whole slew of batteries from Harvey are going to be tested and put on the .94 machine to replace the 15+ year glass batteries.

The 146.85 machine has been successfully transferred ownership to NHARC. The one dollar cost was paid.

New business: Gene reported on a book called Reflections and recommended that any ham read it.

Coming up this fall will be a class for the people wanting to get their amateur license. More on this to come as time approaches. Scott and Norb, KFOXO are working on this.

The school of mines is looking for technical ideas for the kids next year at the school of mines. Contact Scott WA0VKC for more information.

Having no future business we adjourned at 8:12pm

Respectfully Submitted,
Benjamin, KB9LFZ
