

BHARC Meeting Minutes 21 Jan 2005

The Black Hills amateur radio Club was called to order by President Scott Rausch WA0VKC at 1932hrs

Secretary and treasurer's report was read approved

According to the sign-in sheet, members and a few guests were present.

The annual Auction is coming up at the Canyon Lake Senior Citizen center on 19 FEB. Be there by 9am for setup and the auction begins at noon.

Technical committee: Filters have been added to the .94 and .76 receivers. So far no noise have been heard. It will take a little time to make sure these are working as they should. The UHF repeater is ready to come back to the clubhouse. Just some help to bring it back is all is needed. The Rapid City UHF link for the State link will be arriving around the time of the auction – a location is being discussed.

A motion was passed to donate the previous .94 antenna to NHARC. The club has some spare rebuilt antenna loops. Bob WA0FPR currently has them in his possession and he is the contact to get them when needed.

In ARES news, Chuck N0UKO is the new Pennington County EC with Scott and Jack K0STF being assistants.

The activities chart was read over and reviewed and a lot of good ideas were added to it.

The Western South Dakota Emergency net will be the week after the February Auction.

Having no further business, we adjourned at 2018hrs

Respectfully Submitted,
~Benjamin, KB9LFZ
