

BHARC Meeting Minutes 19 Mar 05

President Scott Rausch, WA0VKC, called meeting to order at 7:31PM

Secretary and treasurer's report was read and approved.

16 members and 3 guests were present. Of those guests was a possible new member.

Last Monday a few members of the club got together and had a meeting regarding membership. Cathy, KC0GWU called some of the member who haven't paid dues yet. Some called have paid their dues. A little more time will pass then of those who haven't paid will be dropped from the roster.

They Wyoming state ham convention is coming up in May. It will be held in Casper, Wyoming

Some changes have been made to the website, and with that a database service in the UK has been serving us. Because of that it is slow and it has been put out to the members that we have a server here at the club. The technical committee shall meet in the next month and go over some options.

On July 9th we will have a summer auction/tailgate ham sales. Possibly a picnic will be made of it. More later and time comes.

The project for 2005 will be an 80meter PSK31 transceiver. In the summer, classes will be set up to help build and learn how it works. The cost is \$45 for the kit which includes ALL parts. Possibly a group buy will be made

Having no further business we adjourned at 8:08PM

Respectfully Submitted,
~Benjamin, KB9LFZ
