

Black Hills Amateur Radio Club, Inc

General Meeting Minutes June 15th, 2007.

Meeting called to order by Gary Peterson at 1933 MDT.

Twenty seven (27) members and guests were present.

May minutes were read and approved. Treasurer's report was read and approved.

Old Business:

Gary Johnson, K0KLR, reported to Gary Peterson that e may have come up with some very large batteries for our repeaters.

The 10M Dish is going to be removed.

New Business:

The light timer was inquired about and it has been decided that all outdoor projects are going to be suspended until we know more about the Radar project.

A motion was approved to allow the treasurer investigate CDs and reinvest at his discretion.

Jay Roman took the floor to talk about his work with youth on the OST. His group works with the NSF and NASA/JPL. Their work is in simulations of Mars and Moon exploration programs. He asked for help with coordinating and working with him to get youth involved in HAM radio.

Field day is impromptu this year, show up at the club house on next Saturday morning.

It was voted on and approved that the dish group fund would be rolled into the general fund.

Meeting was adjourned at 20:03 MDT.

Respectfully Submitted,

Charles M Douvier, Secretary
