

Black Hills Amateur Radio Club, Inc
General Meeting Minutes May 18th, 2007.

Meeting called to order by Gary Peterson at 1930 MDT.

Eighteen (18) members and guests were present.

March and April Minutes were read and approved. Treasurer's report was read and approved.

Old Business:

Gary noted we are selling silver plated PL259 connectors and power pole supplies. See Chris Stallkamp for these items. Prices are listed on the black board. Dave Cross came out to work on our South Door again; there were mechanical problems which were fixed.

Dan Hern has been working on the generator and worked on the lawn mower. Dan purchased supplies for the lawn mower to be reimbursed.

The steel tower was removed by several club members before this meeting. The auto tuner was installed on the remote base. There is a small distortion problem and Gary Peterson believes it is a microphone problem. The gain will be adjusted.

Al Bergman still has been unsuccessful at contacting the AF about the future of the Dish.

Gary Peterson asked for help to install a timer on the outdoor light and for someone to re-plumb up the urinal.

Chris asked if we could send out the statelink money we have been collecting to the state link fund.

New Business: Dale asked about the batteries on .94 repeater and the 450 machine. Gary Peterson asked for volunteers to look for prices and availability on batteries. A motion was made and approved Chris Stallkamp obtains a battery for the generator.

Gene McPherson talked about the Big Mick event and asked for some volunteers. The Wyoming MS is the weekend after the rally and he will be asking for the Northern Hills folks to help out.

Gary mentioned Jay Roman is interested in getting the club involved in helping youth on the reservations licensed.

I mentioned field day will be right after the next meeting, come out there will be people

the whole contest.

Meeting was adjourned at 20:02 MDT.

Respectfully Submitted,

Charles M Douvier, Secretary
