

Black Hills Amateur Radio Club, Inc

General Meeting Minutes September 21, 2007.

Meeting called to order by Gary Peterson at 1930 MDT.

Twenty Nine (29) members and guests were present.

Secretaries and Treasurer's report was read and approved.

Old Business:

The board met at 6:30 this evening and it was voted to do some building maintenance repairs. The board also voted to sell the generator on the back pad to Dan Hern for \$50.

New Business:

The boy scouts will be out at the club for JOTA, an e-mail will be sent out with more information.

Gene McPherson commented the South Dakota MS will be Saturday Sept 22nd and Sunday Sept 23rd, he just has barely enough people to run this event. Gene also commented SET should be moved back a week, but Doug Aldrich commented that Pennington County ARES will not be participating. There also is a State Link meeting this weekend.

Gary Peterson announced that we have been having lock issues on our gate. Someone has been locking our lock across other locks and they cut our lock. We have a new lock and a new combination and you need to contact Gary Peterson or someone on the Board of directors for the combination and you will be given the combination upon proof of your proficiency in correctly locking the lock in series. Please always remember to change the numbers on the lock after you lock the lock.

Jerry and Chris Stallkamp will be going to the state link meeting and offered anyone a meeting.

Dan Hern volunteered to mount the transfer panel.

Scott Rausch came in.

Meeting was adjourned at 7:54 MDT.

Respectfully Submitted,

Charles M Douvier, Secretary
