

Black Hills Amateur Radio Club, Inc

General Meeting Minutes November 21st, 2008.

Meeting called to order by Gary Peterson at 1930 MDT.

Fifteen (15), members and guests were present.

The Secretary and Treasurer's report were read and approved.

WA0FPR appeared during the reading of the minutes meeting and appeared to be sober.

Old News:

The tone decoder was completed for the exterior light project. We still need to hook it up to a receiver and test it.

New Business:

Chris has a list of members who are delinquent (haven't pay for dues since 2006).

Bob Heinricksen said the online system to renew your HAM license works well.

Tim, K0OR, made an appearance.

A motion was moved and approved to have the club house phone dial-tone disconnected. A comment was made that the line can still be used for calling 911 even without dial tone.

Meeting was adjourned at 7:42 MDT.

Respectfully Submitted,

Charles M Douvier, Secretary
