

Black Hills Amateur Radio Club, Inc

General Meeting Minutes January 15th 2010.

Meeting called to order by Harry Martens, WA0MFZ.

Treasures Report and the November and December Secretaries report were read and approved.

Old News

The annual auction is February 20th. Following the auction the diner will be at the Eagles club at 6:30PM. There will be a buffet for \$12.00 plus tip. An e-mail with details will be circulated.

New Business

Jack Brand and Gary Peterson purchased a Yaesu 857 Transceiver and screw driver antenna which was purchased by consent of the majority of the board members for \$300. It was too good of a deal to pass up and the club can decide to keep it or sell it for a profit.

We are waiting on the possibility of buying a used FT-100 before having our FT-100 repaired by AES.

Harry Martens announced there is a VE test session the morning of the auction at 8:30 AM.

Gary Peterson, K0CX, made a motion ant it was voted to hold on to the FT-857.

It was asked if Bob, KF0AM's church group would do the food again at our auction; he'll ask.

Meeting was adjourned at 19:55 MDT.

Respectfully Submitted,

Charles M Douvier, Secretary
